REASONS FOR ALLOWANCE

1. Claims 1-21 are allowed over the prior art of record.
2. The following is an examiner's statement of reasons for allowance:

None of the prior art references alone or in combination disclose the claimed subject matter regarding "an electronic controller that is configured to calculate the difference between said expected time period value and said measured time period value to provide a difference time period value; and provide the misfire identification signal in response to said difference time period value exceeding said predetermined threshold time."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. References A-D are cited as being state of the art for detecting misfire in an internal combustion engine.
